Physical summit with regional & international participation

# One day. One room. Six conversations shaping intelligent enterprise.

**GBS Global Summit 2026 convenes policy, enterprise, technology and talent leaders to turn borderless intelligence into practical business advantage.**

A premier international summit exploring how leadership, Global Business Services, digital transformation, intelligent technologies, talent, trust, sustainability and cross-border collaboration are reshaping enterprise growth.

*A serious platform for ideas, relationships and collaborations that continue beyond the summit.*

**DATE**

Wednesday  
18 November 2026

**TIME**

8:00AM–5:30PM

**VENUE**

**KLGCC Convention Centre  
Bukit Kiara, Kuala Lumpur**

**GUEST OF HONOUR**

**YB Minister of Digital**

# Borderless Intelligence joins the forces leaders must orchestrate.

Each theme is developed through a keynote, executive panel, roundtable or live experience.

## Global business reset

Compete through geopolitical, customer and operating-model change.

## Boardroom of tomorrow

Govern transformation, technology investment and enterprise risk.

## GBS orchestration

Connect functions, data, platforms and talent around business outcomes.

## BORDERLESS INTELLIGENCE

## The human advantage

Redesign roles, skills and leadership for AI-enabled work.

## The trust imperative

Advance AI, cyber resilience, privacy and responsible governance together.

## The intelligent economy

Align infrastructure, policy, investment and cross-sector collaboration.

# The 2026 programme builds on a proven regional platform—and raises the ambition.

## 2025

### GBS ASEAN Summit

Human-Centric · AI-Driven · Impact-Focused

A regional platform centred on technology, talent and transformation—supported by visionary keynotes, leadership panels, innovation spotlights, strategic networking and business matching.

## 2026

### GBS Global Summit

Borderless Intelligence

A global agenda spanning enterprise strategy, next-generation GBS, AI-enabled talent, responsible innovation, intelligent infrastructure and live technology—designed for executive-level exchange and cross-border collaboration.

**The continuity matters: partners enter an established industry platform while helping shape its next, more global chapter.**

# Designed for the people who shape policy, investment and enterprise change.

## 01 Government & ministries

National digital policy, investment, talent and regulatory leadership.

## 02 GLCs & state corridors

Regional development, strategic investment and ecosystem activation.

## 03 MNC & GBS leaders

Enterprise transformation, shared services, operations and customer outcomes.

## 04 Technology & AI innovators

Platforms, automation, cybersecurity, infrastructure and emerging technology.

## 05 Associations & industry partners

Cross-sector collaboration, advocacy and market access.

## 06 Academia & talent ecosystem

Future skills, workforce design, research and capability development.

Partners engage this ecosystem in a context built for serious dialogue—not passive footfall.

# The day is structured around six decisions leaders must make.

## 01 How will we win in a borderless economy?

Global Visionary Keynote

## 02 How should boards lead constant transformation?

Executive Leadership Panel

## 03 How can GBS orchestrate enterprise value?

Global Industry Keynote

## 04 How do people remain the advantage in an AI world?

Future Workforce Panel

## 05 How do we scale innovation without losing trust?

Cybersecurity & Responsible AI Panel

## 06 What should we build now for the next decade?

Innovation Keynote + Live Technology Experience

# National vision sets the agenda—then strategy moves to execution.
